CLOTHING/WHAT TO BRING

San Francisco weather is quite unpredictable. Winter temperatures are variable and can range from 35°—60°F. The Exploratorium and the Marina district have their own fickle microclimates, so the key to being prepared is dressing in layers. Dress will be casual for the workshop.

MEALS

The Exploratorium will provide coffee and a light breakfast each day of the workshop; please arrive by 8:00am if you would like to enjoy this breakfast. We will also provide lunch on the first day of the workshop.

RESTAURANTS & SIGHTSEEING

A list of neighborhood restaurants, maps, and sightseeing information will be available to all participants the first day of the workshop. If you have any immediate questions email: lizc@exploratorium.edu
