Bay Area Discovery Museum  
Solutions to the Eucalyptus tree pod problem

1. Pod Shooter
2. Pod sound generator / tumbler
3. Gravity Well
4. Math Activities
5. Compare with other types of seeds
6. Tipping Balance
7. Kid / Pod seesaw
8. Scale – Birds vs. Pods
9. Hole plugging
10. Sculpture / Art Creation like sticker sculpture
11. Odds Calculator normal distribution using pods
12. Target Range
13. Skee Ball
14. Midway Games
15. Composting
16. Abacus – large outdoors
17. Pod necklace – jewelry making
18. Pod sachet
19. Decking
20. Connect Four game
21. Rube Goldberg machine
22. Bell Game with Falling Pods
23. Height Builder
24. Dumbwaiter
25. Careful Comparison - is each Pod different?
26. “Four – Leaf Clover” game – find the odd one
27. Sort by Size or Shape
28. Like a Chinese “Chop” Pod prints
29. Use pods to imprint cement
30. Tops! Top building
31. Collect ‘em and trade them in like tokens
32. Yap Money – value of pod related to size
33. Use as chips for games
34. Landscape with ‘em – fill a ravine
35. Throw ‘em down a Wishing Well
36. “Baby Goldsworthy” create environmental art
37. Floating Pod Pond
38. Clove Balls – Pod Balls
39. Conveyor Belt system follow your Pod
40. Ferris Wheel with buckets for Pods

41. Fill a board of holes – squirrel ‘em away
42. Egg Cartons – delivery systems
43. Tree covered with Pods
44. Cover a “little tree” with Pods and take it home
45. Leaves / Pods activity
46. Plant a Seed – germinate ‘em
47. Eucalyptus Oil – press ‘em
48. Ornaments / Christmas Ornaments
49. Conservation / Gather Behavior activity
50. Pod Money
51. Collecting Data / Positivism
52. Voting chits to indicate preferences – Connect with Animal Sculptures
53. Scale / Dial graduated cylinder
54. Revaluation – time to reflect on impact
55. Art Cars? – Pod Cars!
56. Pylon
57. Stacking Pods
58. Shake Tree
59. Straw & Camel’s Back game
60. Reed = Capture
61. Monkey Face Puppets
