

Black Sand Treasure Hunt Saturday, August 22

Join us to search for and harvest black sand at Ocean Beach. One of our most popular exhibits at the Exploratorium is Black Sand. Visitors of all ages can't keep their hands off it! You can bring the fun and learning home by joining us at Ocean Beach to locate, sort, and collect magnetite—black sand. We will bring what you need and send you home with black sand, magnets, and an activity sheet! Meet at Vicente & Great Highway at 10:30 a.m.
