

Scavenger Hunt
Suggested by Gerry Jamin

Directions:

Pick one or more hunts for your students:

- Find 5 exhibits that use patterns.
- Find 3 exhibits that use your body as a conductor.
- Find 5 exhibits that have pendulums.
- Find 3 exhibits that have curved mirrors.
- Find 5 exhibits where you can see an image of yourself.
- Find 3 exhibits that can give you a shock.
- Find 5 exhibits that do something weird to your speech.
- Find 4 exhibits where you see something that isn't really where you see it.
- Find 5 exhibits that involve spinning something.
- Find 5 exhibits that allow you to make or manipulate colors.
- Find 3 exhibits that can test one of your physical or mental abilities in some way.
- Find 7 exhibits that physically require you to use more than your hands.
- When exhibit is located, students can:

Play with the exhibit.

Note the exhibit title and what theme or hunt it falls under.

Draw a picture of it.

Take a picture of it.

etc.
