Sponsorship Levels

The Phenomenal Ball is an immersive and playful celebration of scientific phenomena and a critical fundraiser in support of our Exhibit Development Shop, which creates signature hands-on exhibits energizing public spaces from San Francisco to Singapore.

The gala's reception and dinner offer a vibrant and exclusive evening of science, art, food, and drink. The After Party features craft cocktails, late-night snacks, music, dancing, activities, and hands-on exhibits. Invest in the Exploratorium's vibrant future and join us for this immersive celebration of fun, learning, and fabulous entertainment!
