

## Welcome

The Exploratorium isn't like other museums. Here you can follow your curiosity, explore, and discover things for yourself. While you may learn a lot about how the world works, we also hope you'll reignite your curiosity, notice things more deeply, ask questions, and be inspired.

### Tactile Dome

Crawl, slide, and bump your way through the pitch-dark Tactile Dome using your sense of touch. Reservations are required.

### Explainer Demonstrations

Check out our Explainer Stations where you can see Cow Eye, Flower, or Speaker dissections; and Plankton, Laser, or Magic demonstrations.

### Dining

Enjoy a delicious, locally sourced meal at SeaGlass Restaurant, which has stunning Bay views, or the Seismic Joint Café, a take-out spot near the museum's entrance.

### Shopping

Shop for unique gadgets, clothing, books, and more for kids and adults, some made by local artisans or designed in-house.

### After Dark (Ages 18+)

*Every Thursday Evening: 6:00–10:00 p.m.*

Enjoy adults-only programming featuring unique guest speakers, great music, specialty films, and one-of-a-kind activities.

### Membership

Experience all the Exploratorium has to offer—as often as you like. Receive free admission, invitations to special events, a museum store discount, and much more. Ask us how to apply the cost of today's ticket(s) to a membership.

### Exhibit Information Is Available in Spanish and Traditional Chinese

Use your phone—or borrow a mobile device at the Information Desk—to access exhibit Information in Spanish and Traditional Chinese. Scan these codes on exhibits around the museum.

## Volunteer

Experience the Exploratorium from the inside out with unique opportunities year-round.

## Throw a Party

The museum is the perfect venue for private parties, special groups, and corporate meetings.

## Make a Donation

The Exploratorium is a nonprofit organization and relies on contributions to support our many educational programs.

## Hours

Tuesday–Sunday: 10:00 a.m.–5:00 p.m.

Thursday evening: 18+ only, 6:00–10:00 p.m.

Closed Monday; open select holidays
